

DIVISION OF ADMINISTRATIVE RULES [29]

UTAH STATE BULLETIN, 1973-[ongoing]

Storage is off-site; contact the Utah State Archives to order.

DESCRIPTION: The *Utah State Bulletin* is designed to keep the recipient continually informed about important administrative actions in the executive branch of State government, listing recent Governor's proclamations and executive orders, Attorney General opinions, notices of public hearings, new state publications and other information, all usually printed in full text. The bulk of the Bulletin consists of proposed administrative rules, temporary "emergency" rules, rules being reviewed, and the effective dates of rules listed as proposed in an earlier issue.

In 1973, only four bulletins were issued. From 1974 through February 1981, they were issued monthly, and beginning in March of 1981, bulletins were issued twice a month.

ARRANGEMENT: This series is arranged numerically by volume number with volume numbers assigned chronologically.

RESEARCH NOTE: For the period between 1973 and 1985, some volumes are available only in microfiche format. Please see the container list for specific information as to where a volume may be located.

The Utah State Bulletin became available only in an online format after the April 1, 2003 (paper) issue.

RELATED RECORDS: Series 83623, UTAH ADMINISTRATIVE CODE, is the complete compilation of state Administrative Rules. Series 83622, UTAH STATE DIGEST, is a publication issued concurrently with the Bulletin which summarizes the contents of the Bulletin.

PROCESSING NOTE: This series was processed by A. B. Schmuland in January 2001.

PREFERRED CITATION: Cite the Utah State Archives and Records Service, the creating agency name, the series title, and the series number.
